SUBJECT: Studies in Intelligence Project
Report of Activities
15 February - 22 February 1956

25 YEAR RE-REVIEW

1. I have in hand three new manuscripts:

2. We are still receiving a number of requests for extra copies of both issues of the Studies. According to our current list, there are about 150 special, continuing requests for each subsequent issue, not counting requests for increasing IAC allotments by as much as 50 per cent.

NOTES AND COMMENTS

Editors Note: We receive many comments, criticisms, and suggestions about past and future issues -- and about the Studies project generally -- that are themselves substantial contributions to the professional literature of intelligence. We hope to print them (with the permission of the writer, of course) in this department in each subsequent issue.
